The question asks for who is more hypocritical. I am a Democrat so I am biased but I believe Republicans are more hypocritical.
user2

Numerous members of the Grand Ol' Party put out numerous statements that are not only hypocritical but are also untrue.
user2

I agree with you alps.
user2

I agree. There is a tendency for Republicans to want to achieve specific goals aimed at furthering agendas of special interests. They rarely do things to better individuals lives.
user1

Some democrats do as well\
user1

Both parties are guilty of catering to special interests but Republicans more so.
user2

The former president of the United States, Donald Trump, just talked at an NRA rally about equipping more people with guns in school which I think would only further increase dangers in schools. Catering to the party.
user2

Also, when Trump was in power, he catered to oil and coal interests by saying that we would create more coal locations as well as step away from a climate agreement.
